

## **Painting Preschool Playgrounds for Movement**

Playground stencils have been used in recent years as an innovative opportunity to increase physical activity in young children. Stencil designs are inviting, fun, and can be a solution to address barriers to physical activity at child care sites with limited space or portable playground equipment. Listen in to dive deeper into the resource Painting Preschool Playgrounds for Movement including the logistics of painting stencils on a playground, types of materials needed, as well as lessons learned and success stories.
